The North Central Chapter of NACBA

The National Association of Church Business Administration

Our Mission: To empower Christian ministry through support of church administration.

Our Vision: To equip and reach out to people in church administration through education, connection, and communication.

The 2010-2011 meeting schedule is on line at www.nacbancc.org/mschedule.asp.

Minnesota Association of Church Facility Managers

MACFM (www.macfm.org) was established to promote fellowship, networking and educational opportunities for Christian Facilities Professionals (managers, maintenance, custodians), through the form of monthly meetings, discussion groups, and professional training. *Come check us out!*

For more information contact:

President, Jeff Johnson, Jeffj@hosannalc.org or call (952) 898-9128.

Tip-of-the-Week Section

Bulk Rename Utility

There's a gentleman in the United Kingdom named Jim Willsher. He has written a nice piece of freeware, something I've used with success for several years now; perhaps it can solve a problem or two for you as well. It's a "Bulk Rename Utility", allowing you to rename multiple files at a time using one of several available formulas. For instance, how many photos do you have on your computer with file names like "IMG_0265.jpg"? Wouldn't you love to change all occurrences of "IMG_" to "SummerPicnic"? Jim Willsher's Bulk Rename Utility will do it, quick and clean. Complete information, including the free download, is at http://www.bulkrenameutility.co.uk/Main_Intro.php.

ALL Tips of the Week are collected and archived on our web site at www.nacbancc.org/doc/TipOfTheWeekHistory.pdf.
