

CEU Certificates

Good News! You can now print your CEU certificates from NACBA sponsored Chapter Meetings, National Conference, and TeleWebs.

Log in to your member page and click on CEU history. In the right hand column you will see the word Print by some of the listing. You just click on "print" and a reminder will pop up telling you to set print to landscape, once this is done, just click print! **Wahlah!** You have your certificate which is... "suitable for framing" for your files. (NACBA does NOT need copies of any certificates issued through this website.)

Please note that you will only be able to print those certificates that have been issued for NACBA **approved** Chapter Meetings, NACBA National Conference, and NACBA TeleWebs. When you print the Chapter meeting certificate, you will be responsible for getting the Chapter President's signature to make it official.

Chapter Meetings, these will only be recorded for print if the name is readable and all of the paperwork has been submitted **according to the guidelines**.

National Conference CEUs will be recorded for certificate printing once the original form is received.

TeleWeb CEUs for certificates will only be recorded upon request from the individual upon completion of the TeleWeb.

Please allow 1-2 weeks following the receipt of paperwork in the national office for your CEUs to be recorded.

NOTE: those persons attending who are not NACBA members should have or will receive an information packet with their ID (log in) and Password that they will use to access this print feature.
